IN THE NATION'S CAPITAL: Battle shaping up in Ohio over whether to retain

"reproduction cost new" valuation of rate base. Maryland study group report on same subject recommends greater recognition of current value. NLRB limits jurisdiction over small telephone companies. FCC delivers opinion on Western Union international operations, Jan. 1, p. 17. . . . REA's Nelsen makes statement on meeting with telephone industry advisory committee. Iron Curtain countries control radio program for public. CIO lawyer condemns labor monopoly curbs. Idaho Supreme Court reverses commission in Mountain States T&T Co. rate case, Jan. 8, p. 21. . . . Reaction to President's State-of-the-Union message generally favorable in both parties. . . . Utilities interested in some angles of message. . . . Highway legislation, and fate of utilities in receiving payment of relocation expenses, passed over lightly. REA not mentioned in speech by President, Jan. 15, p. 20. British Post Office finds setting aside annual depreciation of its telephone plant on original cost of equipment at prewar prices is an accountant's illusion of accuracy. . . . Realizes it has nothing to do with responsibilities of practical management. . . . American regulatory authorities might take to heart the realistic accounting practices of the British, Jan. 22, p. 17. . . . Bell System forms new "Merchandising Department" to direct sales of services. . . . Welch suggests all telephone companies must "go out and sell." Consultation of surgeons during and after operation by color TV accomplished, Jan. 29, p. 17.

Michigan court recognizes deteriorating effect on utilities' earnings caused by "regulatory lag" in rate cases in decision on General Tel. Co. rate increase application. Attorney General Brownell again asks Congress to legalize use of evidence obtained by wire tapping in national security cases, Feb. 5, p. 23. . . . Senator Magnuson blasts regulation of TV and radio networks. . . . Bell System rates for transmission services questioned, too. Criticizes Senate committee for holding up confirmation of Harlan's appointment to Supreme Court. . . . Reviews charge that court is made up of "political" justices, Feb. 12, p. 17. . . . Preliminary formula for merger of AFL and CIO concluded. . . . significance for labor and the public discussed . . . Taft-Hartley Act in for increased pressure from the amalgamation. Douglas' and Olds' stands on private power analyzed. FCC defers decision on "pay-as-you-see" TV. Voice of America depends on telephone facilities, Feb. 19, p. 17. . . . New telephone co-op association formally launched at NRECA convention. . . . Convention resolution takes crack at Hoover Commission Task Force. Telephone companies' cost of highway relocation higher than any other utility industry, Feb. 26, p. 17.

REA's 1954 fiscal report analyzed. New telephone cooperative association will probably have to set up own Washington headquarters. McConnaughey appears before Senate committee on FCC appointment, Mar. 5, p. 17. . . . Decline in telephone loans reflects REA's efforts to eliminate earlier trend for applicants to ask for more than they needed. New York Congressman introduces bill to authorize wire tapping in certain types of federal court prosecutions, Mar. 12, p. 20. . . . Hoover Commission recommendations on government lending agencies discussed. . . . Report urges that REA be reorganized on self-supporting basis. Reason analyzed why Swedish government telecommunications depreciation allowances are on replacement cost basis, Mar. 19, p. 20. . . . House Judiciary Committee takes up Repr. Celler's wire tapping bill. Telephone industry representatives to appear in order to insure that the bill will not impose any undue burden or liabilities on telephone companies. McConnaughey confirmed for FCC position. . . . Commission recommends four amendments to Communications Act. Mar. 26, p. 20.

FCC chairman wants special study of radio-TV situation. IRB rules excess rate collections taxable. British Columbia commission to regulate cemeteries. Further developments on wire tapping hearings, Apr. 2, p. 20. . . . Witness gives House committee an earful about modern gadgets for listening in on other people's conversation, telephone and otherwise. Hoover Commission Task Force's report on government lending agencies, including REA, further analyzed. . . . REA telephone loans to commercial companies and co-ops reported, Apr. 9, p. 17. . . . Violence and vandalism in Southern Bell T&T Co. strike deplored. . . . Union members warned that their union is losing the confidence of the public in destroying a vital public service through damaging of communications facilities. . . . Union leadership which condones and encourages such tactics misjudges temper of American people, Apr. 16, p. 13. . . . Discusses FCC examiner's decision turning down request of SW Bell to buy Tomball property. Minimum wage hearings in progress. GSA strives to reduce Uncle Sam's telephone bill. President's Advisory Committee on Transportation recommends relaxing regulatory controls over railroads and common carriers, Apr. 30, p. 17.

Payment of REA loans by electric co-ops reviewed. Passing of gross receipts tax on to public an issue in Virginia. Three recent important rate cases discussed. Utilities competition suit against REA super-co-op thrown out, May 7, p. 17. . . . Clyde McFarlin testifies for Independents on wage-hour exemption for small exchanges. Union will have to answer to the public for violence in Southern Bell strike. Virginia commission rules local gross receipts tax should be passed on to subscribers, May 14, p. 21. . . . Mountain States' Idaho rate case still bouncing. FCC receives many letters favoring Subscription TV. Settlement of anti-trust suit against AT&T-Western Electric rumored. REA celebrates 20th anniversary, May 21, p. 17. . . . Senate committee recommends utilities get 50 per cent of depreciated cost of relocating facilities along federal aid highways. Indiana co-op pays off REA. . . . Plans private financing, May 28, p. 21.

Labor loses election in England. General company and REA reach EAS agreement in Southwest. Highway relocation bills up for vote in Senate. Chamber of commerce group predicts uptrend in government spending, June 4, p. 17. . . . Controversy over original cost vs. current value rate base in New York Tel. Co. case of particular interest to telephone industry. Welch disagrees with Buffalo professor on cost-of-money rate base theory. N. C. Supreme Court rules against commission on Carolina T&T stock price, June 11, p. 17. . . . Exemptions from Wage-Hour Law for operators in exchanges of 750 stations and less, likely to stay. . . . $1.00 minimum wage seen. CAA plans to turn its communications over to private companies. FCC wins radio station license court case. FCC may throw "pay-as-you-see TV" hearing open to public, June 18, p. 20. . . . Air force moves to put air base communications system on semi-automatic basis. . . . Plans leasing of equipment and circuits from telephone industry. Secretary of Commerce Weeks asks for realistic regulation of utilities. House action may indicate TVA will be put "on its own feet" instead of depending on government subsidy for operation, June 25, p. 21.
